

NEXT STEP Self-Reflection Tool Privacy Policy

The information on the NEXT STEP Self Reflection webtool is subject to a disclaimer, a copyleft notice and personal data protection.

DISCLAIMER

Science View maintains this webtool to provide the opportunity to School Units to self-reflect on transdisciplinary STEAM approaches that they are using, which have been produced with the financial support of ERASMUS+ Programme of the European Union. The contents of the webtool and information provided are the sole responsibility of Science View and the project partners as specified, and can in no way be taken to reflect the views of the European Commission (AGREEMENT n° 2020-1-NO01-KA227-SCH-094071).

It is the goal of Science View to keep the information on this website timely and accurate. If errors are brought to our attention, we will try to correct them. However, Science View accepts no responsibility or liability whatsoever with regard to the information on this site.

It is our goal to minimize disruption caused by technical errors. However, some data or information on our site may have been created or structured in files or formats that are not error-free and we cannot guarantee that information will not be interrupted or otherwise affected by such problems. Science View accepts no responsibility with regard to such problems incurred as a result of using this site or any linked external sites.

This disclaimer is not intended to limit the liability of Science View in contravention of any requirements laid down in applicable national law nor to exclude its liability for matters which may not be excluded under that law.

THIRD-PARTY WEB SITES

This website provides links to third-party web sites, which are not under the control of Science View. Science View makes no representations about third-party websites. When you access a non-Science View web site, you do so at your own risk. Science View is not responsible for the reliability of any data, opinions, advice, or statements made on third-party sites. Science View provides these links merely as a convenience. The inclusion of such links does not imply that Science View endorses, recommends, or accepts any responsibility for the content of such sites.

COPYLEFT NOTICE

Reproduction of webtool content is authorized, provided the source is acknowledged (save where otherwise stated), as long as the content and sense is not altered or distorted, and only for non-commercial use.

Where prior permission must be obtained for the reproduction or use of textual information, such permission shall cancel the above-mentioned general permission and shall clearly indicate any restrictions on use.

PERSONAL DATA PROTECTION

Science View is committed to user privacy. Although you can browse through the project's webtool without giving any information about yourself, if you register to use the tool, personal information such as name and email are required in order to provide the services you request.

Our [privacy policy](#) is based on the General Data Protection Regulation (GDPR). In this context, we inform you that your name and email (and the rest of the data within the registration form) will be saved in our database, archived under the name of NEXT STEP SRT USERS, in order to provide the e-services you subscribe to. With reference to the above-mentioned regulation, you have the right to amend or cancel your personal details held with us, by emailing your request to: info@scienceview.gr, or sending it by post to Science View, 28 Alekou Panagouli str., 14231, Nea Ionia, Attika, Greece.

Your data provided will be stored at Science View solely for the purpose of providing the services you subscribe to. Your data shall not be shared with third parties.

The NEXT STEP Self Reflection webtool provides links to third party sites. Since we, Science View, do not control them, we encourage you to review their privacy policies.
